

Subject: Grade 9 Speaking Evaluation – Teamwork

Deadline: October 13th

Dear Parents,

For our upcoming **speaking evaluation**, students **should practice speaking about teamwork** . Each student will **speak for 45 seconds to 1 minute**. This activity helps students **develop speaking fluency, use complete sentences, and give detailed explanations with examples**.

Connection to the unit:

The myth *Grandmother* highlights the importance of teamwork. Students will reflect on how working together helps **achieve goals, solve problems, and support each other**.

Questions Students Will Answer:

- How would you define teamwork in your own words?
- Why is teamwork essential in achieving complex goals?
- What qualities make someone a valuable team member?
- How can a team overcome conflicts or disagreements?
- How should teams plan and delegate tasks effectively?
- What challenges might a team face, and how can they be solved?
- How does effective communication impact a team's success?
- Can you give an example of teamwork in real life or in school that was particularly effective?
