

Morning Broadcast Introduction:

Good morning, teachers , principles and friends.

Let's stand together, one and all.

Respect is more than just a word,

It's kindness in action, it's being heard.

When we smile, when we share,

When we show others that we care,

We build a world that's strong and true,

And peace begins with me and you.

Today, we think of Gaza's pain,

Of hearts that hope through loss and strain

Respect can travel far and wide,

It lifts up those who hurt inside.

So let's be gentle, let's be kind,

Let's keep compassion in our mind.

Because every act, both big and small, Can help bring justice, hope—and heal us all.

Today, we begin with a powerful saying of our beloved Prophet Muhammad(peace be upon him)

None of you truly believes until he loves for his brother what he loves for himself.'

(Narrated by Bukhari and Muslim)
