

Upcoming Speaking Assessment

Message to Parents

Dear Parents,

We would like to inform you that the upcoming assessment will be based on the topic ****“Friendship.”****

During this assessment, students will be asked ****critical thinking questions**** related to the theme.

Each student will have **1 minute** to respond. The goal is for students to use their ****own words**** and express their ****personal thoughts and opinions**** freely. Memorized answers are not encouraged—we want them to share their ideas naturally.

Thank you for your support in encouraging your child to think independently and speak with confidence.
