

Dear Parents,

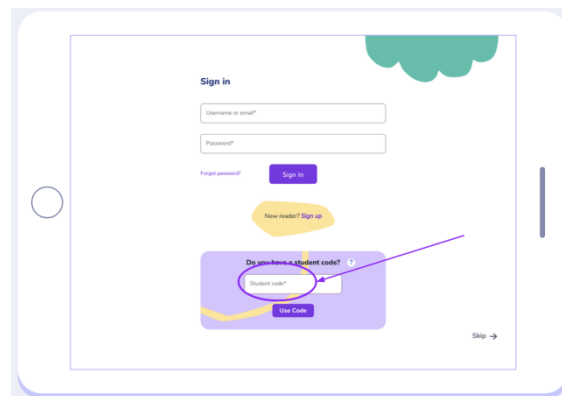

Let us introduce you to a great platform to learn and practice the English language at home quickly: **BOOKR Class**, a digital interactive library app with 1000+ digital books and 4000+ educational games for children.

Please follow the instructions to make the learning experience available in your home.

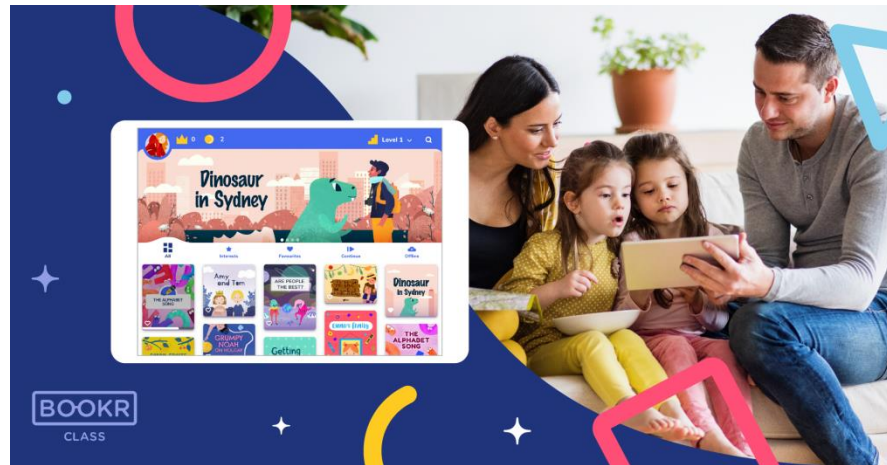

1. Download **BOOKR Class** on your smart device (tablet or mobile) from the **Google Play Store** or **App Store** or on your computer from the **Mac App Store** or **Windows Store**: <https://bookrclass.com/download/>

2. Choose the "Sign in with Student Code" option to log in.

3. Then, your child can enter his/her 10-digit access code in the "Student code" field.
4. After this, you can freely browse the library.

Some  
helpful

information about the library:

- It contains 1000+ digital books divided into 9 proficiency levels
- At the end of each book, you will find the entertaining yet educational tasks and exercises – and the teacher will be able to follow and track your results in the Teacher's Dashboard.
- Your child can see the readings the teacher assigned to him/her under the “My Book” option
- You can see your child’s reading progress and statistics by clicking on the avatar in the top left corner – and the teacher can see even more statistics in the Teacher’s Dashboard .
