*Grammar:

1. Identify the plural pronouns (We, They) and Be Verb (are)

- We use the pronoun **We** for two or more people including me.
(My friends and I) (We) are smart.
- We use the pronoun **They** for two or more people, places, things or animals.
(The cats) (They) are cute.
- We + are / They + are

Examples:

- We are smart.
- They are good.
- We are not five years old.
- They are not clean.

They

We

2. Identify the Contractions:

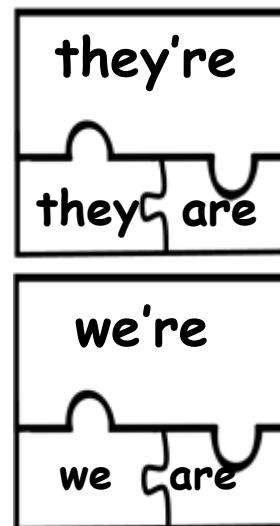

A contraction: is a shorter way to say and write two words.

(one word made out of two words)

Contraction Rules:

1. The first word stays the same.
2. Delete some letters from the second word.
3. Add an apostrophe (')

The apostrophe fills in the place of some letters.

Examples:

- They're students.
- We're excited.
